

Yes

Sustainable is affordable

We only need to think out of the box

Narayana Peesapaty

Former researcher – Groundwater Management

Founder, Managing Director – Bakeys Foods Pvt. Ltd.

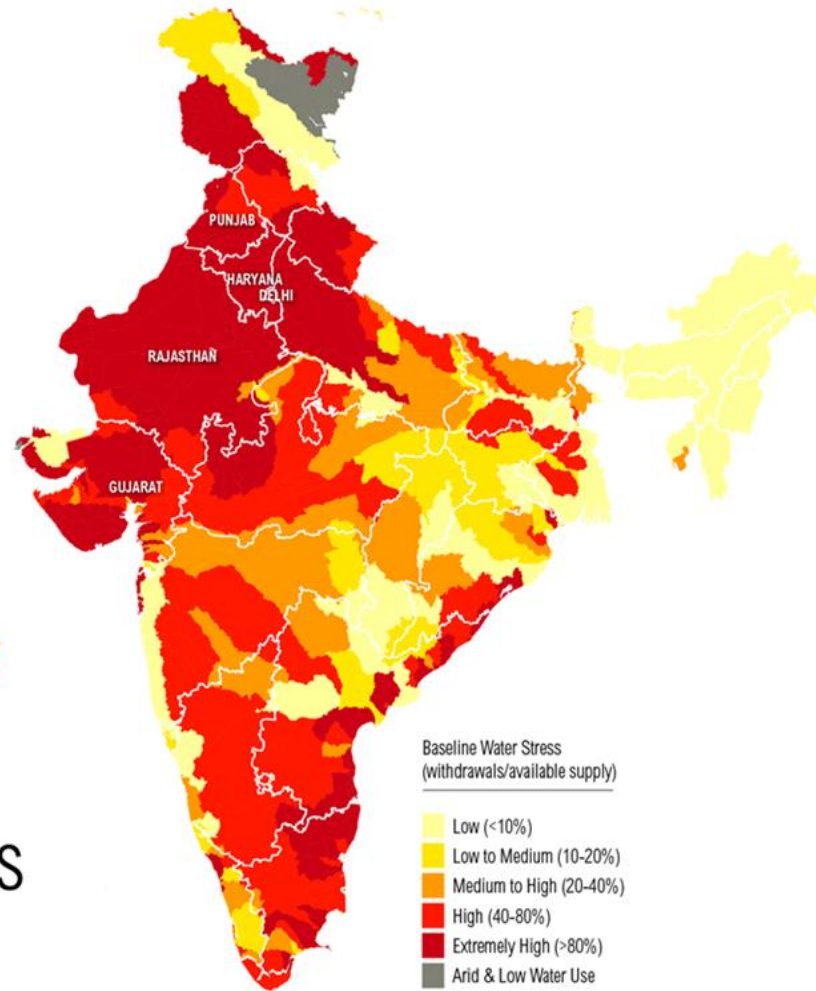

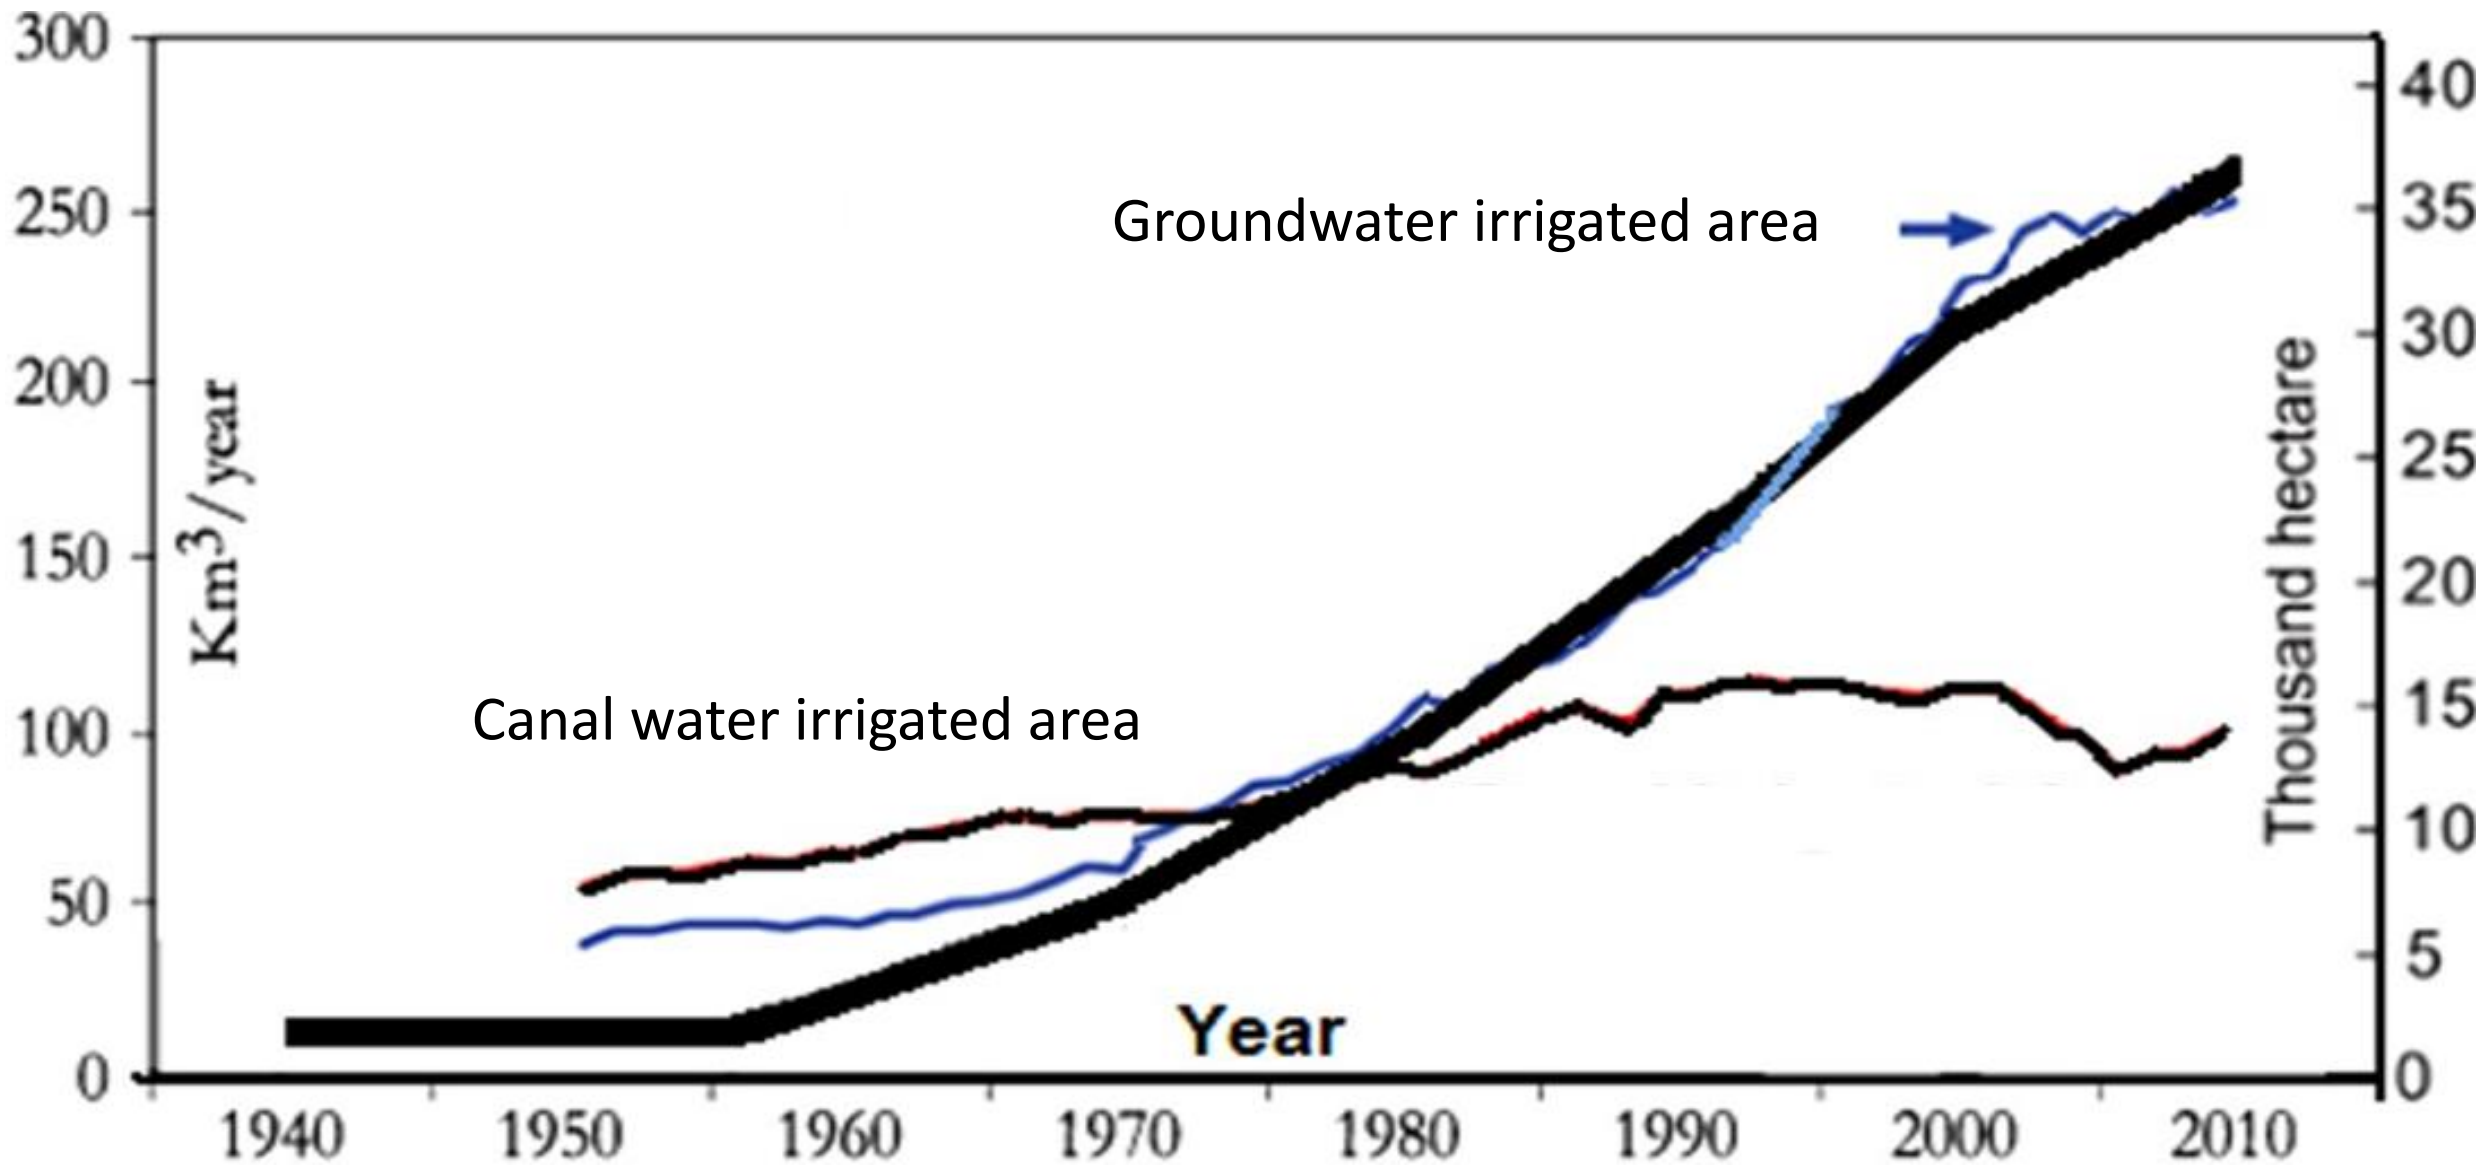

Even the rivers are drying up far too soon

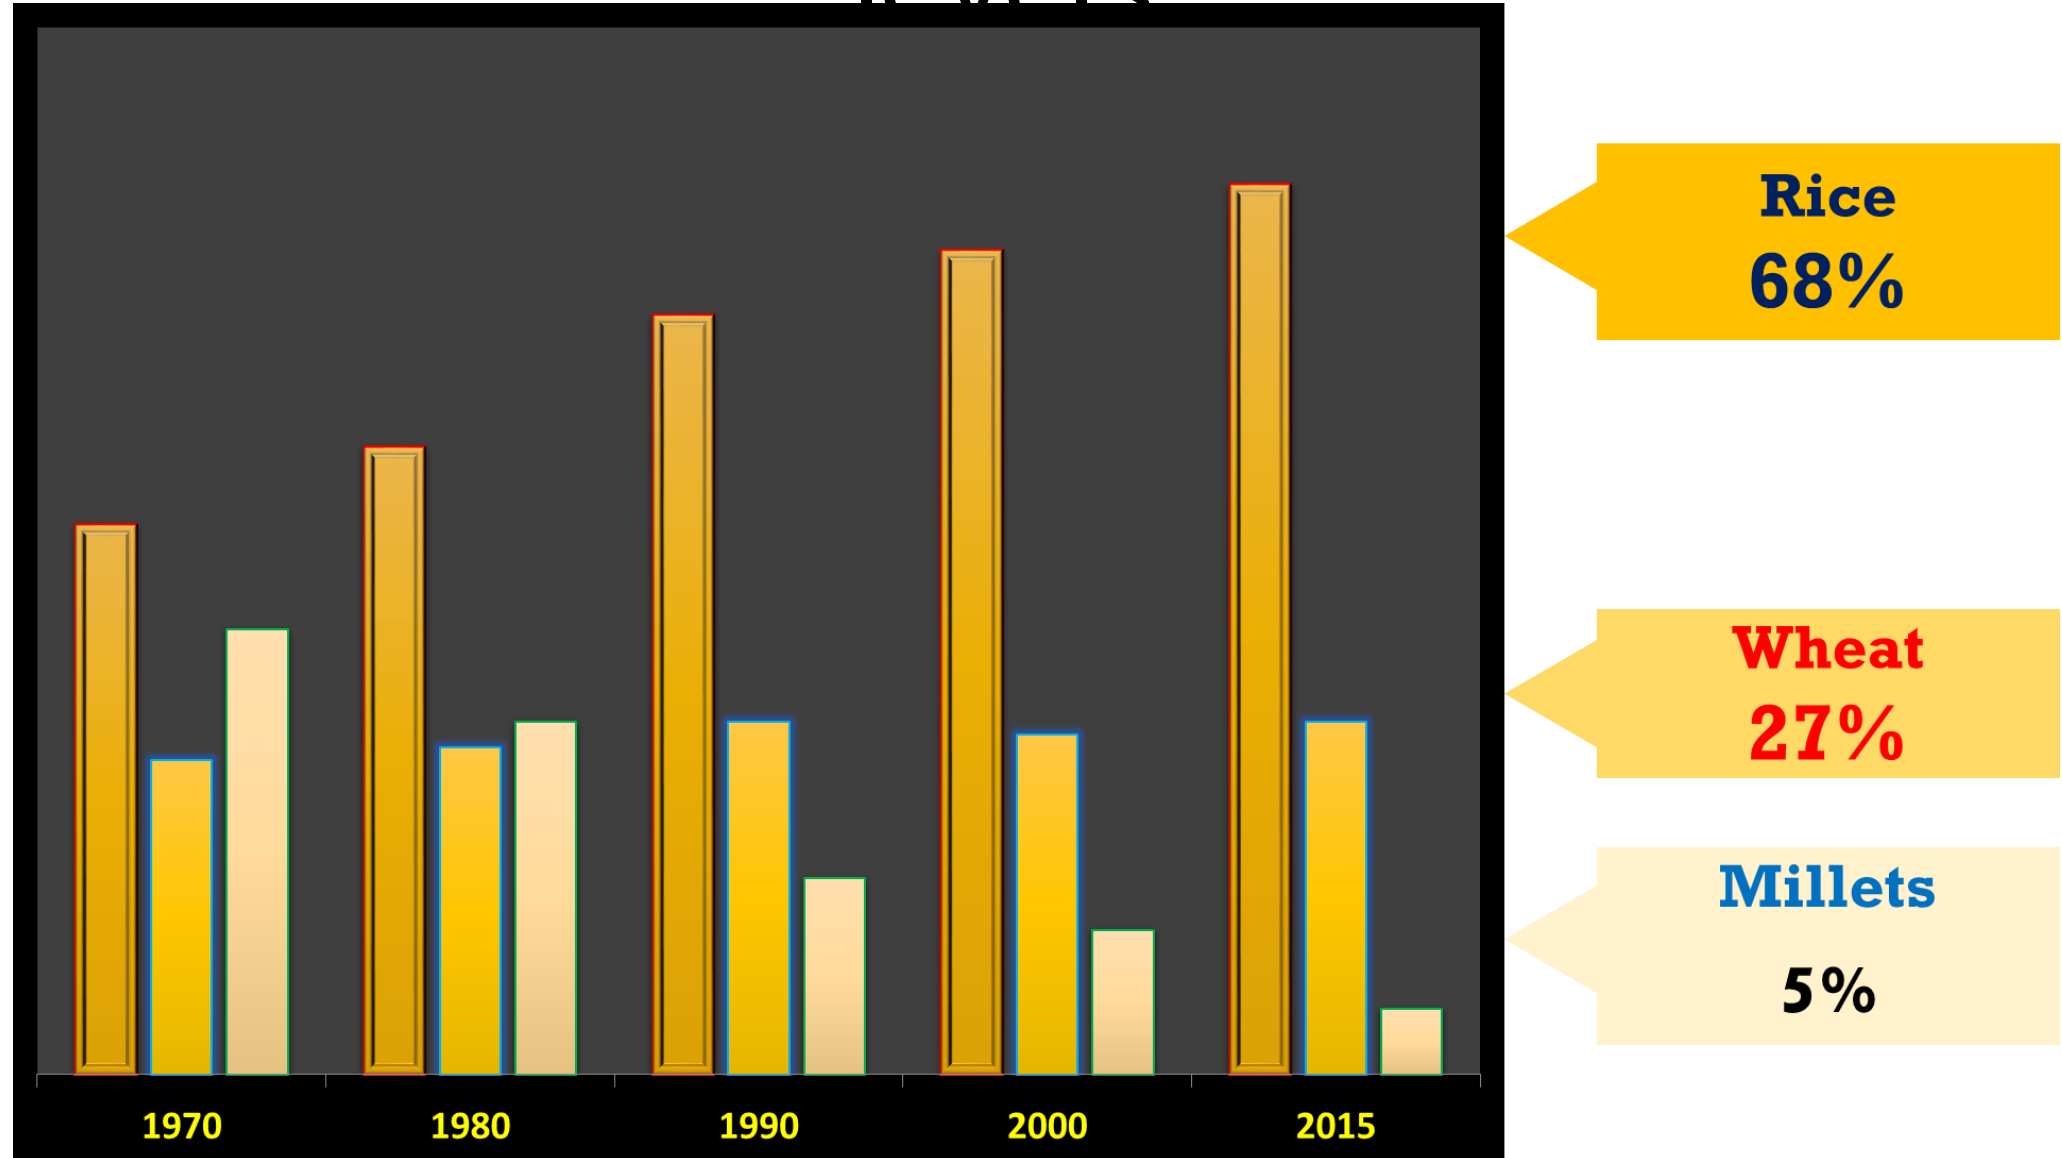

The cause

54%
of India
Faces
**High to
Extremely
High**
Water Stress

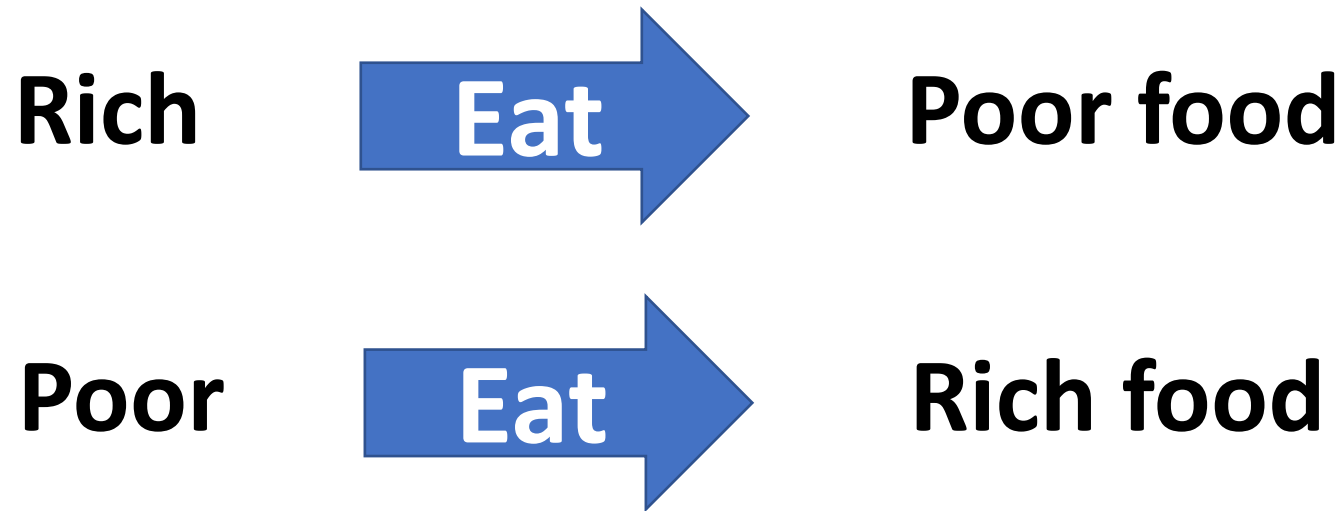

Cropping pattern moved to unsustainable levels

Although millions of tons of rice is rotting in warehouses every year

There is a socio cultural and market dynamics to this change

A universal paradox

Our solution

Soup Spoons

Spoons

Forks

Dessert Spoons

Edible Cutlery...

Two birds with one stone

**Create demand
for millets**

**An alternative
for plastic
disposables**

The world's first automatic edible cutlery manufacturing machine

Yes! we made it !!!!

**Be the change you want
to see**

Mahatma Gandhi
