

GRIHA Council

#### Mission

GRIHA Council is mandated to promote development of green buildings and habitats in India through GRIHA.

#### Goals of GRIHA

Inspire, enable and engage with society to achieve sustainable habitat for all through GRIHA rating.

#### Training programmes on GRIHA

GRIHA Council organises 3-day training programmes on GRIHA across the country, round the year.

#### Highlights of GRIHA Training Programme

Insight into green building design and processes adopted to design, operate and evaluate green buildings

1. Integrated Approach to design: Hands-on group exercises are included to give a feel of integrated design
2. Performance based design: Exercises to evaluate GRIHA criteria.
3. Best Practices for prescriptive criteria under GRIHA and references to the national standards.

**GRIHA Certified Professionals** are well-equipped to help GRIHA projects in facilitation and documentation. They can also conduct awareness programmes on green buildings and GRIHA.

**GRIHA Certified Evaluators** are likely to be engaged by GRIHA Council in reviewing GRIHA projects in their field of expertise on a remunerative basis. They can also take active part in the evolution of GRIHA rating tools.
