

CELEBRATING INDIA'S BENCHMARKS IN ENERGY CONSERVATION

*Bureau of Energy
Efficiency invites
applications from ESCOs
and industries who have
taken extra efforts to
implement energy
efficiency projects through
innovative and sustainable
business models*

NATIONAL ENERGY EFFICIENCY BUSINESS MODEL AWARDS 2015

THE SALIENT FEATURES OF THE AWARD SCHEME

Eligibility:

The scheme is open to all ESCOs and industries who have implemented the projects*, in the following sectors:

- Government & Commercial buildings
- Municipalities
- Industries including state discoms and private discoms
- MSMEs
- DSM Projects: Agriculture DSM, Street Lighting DSM and DSM based Efficient Lighting Programme (DELP)

* Only projects which have completed operations on or before 31st March, 2015. Documents related to repayment status and energy audit reports also need to be submitted. For more information, download application form.

The business models of the energy efficiency projects shall be considered wherein the applicant may have received finance from:

- Any bank
- Non-Banking Financial Company
- Public Financial Institutions
- Technical/Financial assistance from bilateral/multilateral lending agencies

AWARD

- First and Second prize in each sector/subsector will be given gold and silver plaques respectively, with appropriate citation on awards
- In addition to prizes, Certificates of Merit shall also be given under each sector
- The performance of the units would be judged through prescribed filled-in applications which will be evaluated by the Awards Committee
- The decision of the Committee will be final

The last date of receipt of filled-in applications is October 26, 2015

The application form will be available at www.eeslindia.org and the EESL office. The filled-in applications should be emailed at neebmaeesl@gmail.com followed by submission of duly signed hard copy by post/courier at EESL address office
